
**WHY
COSEC IS THE
MOST SUITABLE
ACCESS CONTROL
SOLUTION FOR
ENTERPRISES?**

MATRIX COSEC

Right People in Right Place at Right Time

Access Control Solution for Enterprises

The basic objective of any Access Control solution is to protect an organization's assets and ensure human safety by controlling movement of people to pre-defined rules. Matrix COSEC is a comprehensive and flexible Access Control solution to meet any Access Control need of any organization irrespective of its size, layout, locations and timings. Matrix COSEC allows controlling access on three simultaneous dimensions – User, Zone and Time by answering the three fundamental questions on Who, Where and When.

9 ATTRIBUTES THAT MAKE COSEC THE MOST SUITABLE ACCESS CONTROL SOLUTION FOR ENTERPRISES

- Highly Scalable
- Connect 3rd Party Readers
- Multiple Credentials
- Reduce Wiring Cost
